The requested Biosafety Certificates will be provided to Recipient to assist Recipient in obtaining required authorization for shipments containing the above marked Corn Product(s) into Vietnam. Recipient hereby acknowledges and agrees as follows:

- The Biosafety Certificates are based on proprietary packages of safety information provided by Syngenta Seeds AG to the Ministry of Agriculture and Rural Development in Vietnam and the underlying data was developed and submitted by Syngenta Seeds AG at considerable expense.
- Recipient agrees to use the Biosafety Certificate(s) only for the purpose of obtaining the required authorization(s) to import shipments containing the corresponding above marked Corn Product(s) into Vietnam, and not to provide a copy, directly or otherwise, to any third party except majority owned or controlled affiliates of Recipient.
- Recipient will comply with all applicable laws and regulations regarding the transactions or activities for which the Biosafety Certificate(s) is used.
- The Biosafety Certificate(s) provided allows importation of the above marked Corn Product(s) as raw materials for processing for food and feed use only, not for any research purpose or cultivation purpose. Recipient agrees to take reasonable safety control measures to ensure that raw materials of the Corn Product(s) imported will not be released into the environment or used in a way that would cause potential risk to biological diversity, sustainable utilization or human health.
- The Biosafety Certificate(s) may not be used except in accordance with the terms stated herein and any violation of such terms may cause substantial injury to Syngenta Crop Protection AG. Therefore, in addition to any other remedies which would be available, Syngenta Crop Protection AG and/or its affiliates which provided the Biosafety Certificate(s) to the Recipient reserve the right to withdraw the use of the Biosafety Certificate(s) if the Recipient is not in compliance with the terms agreed to in this document.
