JUDGING: The three (3) Finalist entries will be selected on or about July 10, 2020. The Finalists will be selected from among all eligible entries received for the Contest. Each Finalist will advance to the final judging round to determine the Grand Prizewinner. The Grand Prizewinner will be selected on or about Sept. 30, 2020. In all cases, those entries that qualify as eligible entries will be evaluated by judges, whose decisions are final and binding on all judging matters related to this Contest. Judges will be professionals in the agriculture industry and will be selected by Sponsor. Employees of Sponsor may be judges. The Grand Prizewinner will be partially determined by the number of votes his/her entry receives from Website visitors in a public vote among Finalist entries to take place between July 30, 2020, and Oct. 1, 2020. (Sponsor reserves the right to reschedule the voting period and will make such changes public knowledge by posting notification on the Website.) All eligible entries will be rated on a scale of 1 (lowest score) to 100 (highest score) points based on the following criteria: 1) Creativity/Uniqueness of theme (30 points), 2) Functionality/Professional appeal (30 points), 3) Visual appeal of photograph or video (30 points), and 4) Flow/Organization of essay or video (10 points). In the event of a tie at any judging level, the entrant whose entry has the higher/highest score in the Creativity/Uniqueness of theme criterion will be declared the winner (i.e., Finalist round or Grand Prize round, as applicable). If tie continues, the tied entry with the higher/highest score in the Functionality/ Professional appeal criterion will be declared the winner. If tie continues, the tied entries will be rejudged by a new judge, who will use the same judging criteria as stated herein to determine which entry is the winner. Sponsor will attempt to notify the Finalists on or about July 10, 2020, and the Grand Prizewinner on or about Oct. 10, 2020. Notification will be made via email supplied on the promotion registration page with entry. Grand Prizewinner will be required to complete, sign and

return an Affidavit of Eligibility, a Liability Release and a Publicity Release (where lawful) and/or other documents (e.g., consents from third parties depicted or referenced in winner's essay and/or photo or video, as applicable), all within an indicated time period. If potential winner of any prize cannot be contacted for any reason (including if notification email is returned as undeliverable) or if Grand Prizewinner fails to complete, sign and return the required documentation in the time indicated, such prize will be forfeited and the Grand Prize will be awarded to an alternate winner selected from among all remaining eligible Finalist entries (as applicable) in the manner set forth above.

Sponsor reserves the right to discount tainted votes, disqualify entries or take other remedial actions so as to protect its legal rights, if Sponsor determines in its sole discretion that the integrity of the public vote has been compromised or undermined in any way. Improper conduct relative to the public vote includes but is not limited to the offer of any gift, award or benefit in exchange for voting for a given entry.
